Submitted to His Highness.

7 I submit for His Highness' information copy of letter No.5461 dated 7th September 1911 received from the First Assistant Resident stating that the Government of India have no objection to Mr. M.N. Krishna Rao, Assistant Secretary to Government and Assistant Comptroller, being admitted into the Comptroller General's Central Office of Accounts and the Financial Secretariat of the Government of India to enable him to study the system of work in those Departments. The Comptroller has been requested to arrange to relieve Mr. M.N. Krishna Rao soon after the Dasara to enable him to proceed to Calcutta for training there.

8 2. If His Highness has no objection, opportunity may be taken to depute Mr. T. Lakshminarasimha Rao, Assistant Secretary to Government, also as it will be an advantage to have two officers thus trained and it will be convenient to the authorities at Calcutta if these two officers go together.

1) I am glad that it is not proposed to depute two offrs. In fact, I think that all our offrs in the Accounts & Finance Depts would benefit materially by such deputation.

2) The period required will be one month in the Fin! Sectt & one month in the C. G.'s office. If the proposal made in my letter of 27-9-11 be approved then the month of March may be spent in the Financial Secretariat & the month of April in the C. G.'s offrs. One section of the Secretariat viz the Budget Section will perhaps be very busy in March but the other sections will be working under normal conditions & arrangements may also be made to allow our offrs to have as much idea as possible of the budget work of the first Indn.

3) To work with two offrs short in March & April will be rather difficult. The budget work will be on & that is also the time when the inspections of the P.W. accts in the Divisional offrs are carried out. However if an offr with Sectt experience is placed in charge of the Finance Branch it will be possible to manage.

4) It would have been a great advantage if Mr Srinivasachar had remained in offrs atleast till the end of April. But he wishes to retire almost immediately & I do not like to force him to remain

Comptroller's Office,

Bangalore, 8th April 1912.

My dear Sir,

I am just now informed that in the place of Mr. T. Lakshminarasimha Rao, Officiating Assistant Secretary, Finance Department, it is proposed to appoint Mr. B. Srinivasa Iyengar, Assistant Comptroller.

2. You will remember that my proposal was to appoint Mr. S. Shamanna, Assistant Comptroller, to officiate. My proposal in this respect was made after full consideration and as the orders passed are not in agreement with my proposal, it is necessary for me to state the considerations I had in view, for your information.

3. Mr. B. Srinivasa Iyengar is at present in charge of the Local Audit Department of this office which was organized under the orders of Government just one year ago. The work of organizing the Department and setting it at work involved considerable labour. If Mr. Srinivasa Iyengar is now disturbed when the establishment under him is not yet fully trained, the work of training another officer e.g. Mr. S. Shamanna, in the work of Local Audit which is new to Mysore, will fall on me and this will mean a great waste of my time. After the establishment of Local Auditors is fully trained a change of officer will not mean much, but a

change

of work in some Departments for which I am responsible.

7. As Mr. Lakshminarasimha Rao leaves to-night and some one will have to take his place to-morrow, the favour of orders during the course of the day is solicited. If it is necessary that the matter should be considered for some time, I would suggest that I may be permitted to send Mr. Shamanna to the Finance Branch as a temporary measure to-morrow, a change being made in accordance with the final orders of Government later on, if necessary.

SIR,

With reference to your letter No.Fl.1234/G.F.32-11-5 dated 14th September 1911 requesting to make arrangements for the deputation of Mr. M. N. Krishna Rao as soon as possible after the Dasara, I have the honor to state that the work of revising the Office Manual and the revision of the Establishment after inspection of the working of some branches of the office are now in hand. The revised proposals promised in this office letter No. 1369/R.88 dated 2nd September 1911 have also to be submitted to Government. Moreover it is likely that I shall be absent from Bangalore from the latter part of November and I may apply for privilege leave for 2 months in continuation of the Chrismas holidays.

Under these circumstances it will be convenient if Mr. M. N. Krishna Rao is deputed from the latter end of February 1912 as in that case I can personally arrange for his satisfactory training in consultation with the Comptroller General's office and the Financial Secretariat in Calcutta. It is not desirable that
